

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 2229

IN THE MATTER OF:

Served June 10, 1981

Application of GALLAGHER MORTGAGE)
SERVICES, INC., for Temporary)
Authority -- Computer Sciences)
Corporation)

Case No. AP-81-11

By application filed May 27, 1981, Gallagher Mortgage Services, Inc., seeks temporary authority to transport employees and persons traveling on official business with Computer Sciences Corporation (CSC), between CSC facilities on Ivy Lane, Greenbelt, Md., and Building Nos. 13 and 25, Goddard Space Flight Center, Greenbelt, Md. The service is to be performed on a shuttle basis in a nine-passenger station wagon.

Gallagher had been performing the service pursuant to a special authorization to operate under WMATC Special Certificate of Public Convenience and Necessity No. 1 as prescribed by Commission Regulation No. 70. That authorization lapsed, however, due to the carrier's failure to file a copy of the contract extension (through July 21, 1982). On May 28, 1981, Gallagher filed a new application for special authorization to operate under WMATC Special Certificate No. 1 and seeks temporary authority pending disposition of the special authority application.

Title II, Article XII, Section 4(d)(3) of the Compact authorizes the Commission to grant temporary authority where there exists an immediate and urgent need for service which existing carriers are incapable of meeting. Inasmuch as Gallagher is rendering courier service to CSC */ and has been providing a complete service transporting passengers on occasion in the same vehicle used for courier service, the application will be granted. The grant of authority will become effective upon the acceptance for filing of an appropriate certificate of insurance.

*/ Gallagher originally served CSC by shuttling small packages between CSC facilities. Subsequently, the need for occasional transportation of employees arose and Gallagher applied for appropriate authority.

THEREFORE, IT IS ORDERED:

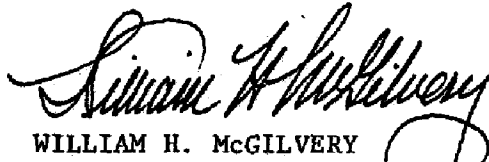

1. That Gallagher Mortgage Services, Inc., is hereby granted temporary authority to transport employees and persons traveling on official business with Computer Sciences Corporation between Computer Sciences Corporation facilities on Ivy Lane, Greenbelt, Md., and Building Nos. 13 and 25, Goddard Space Flight Center, Greenbelt, Md.

2. That the temporary authority granted herein shall be effective Monday, June 22, 1981, and shall continue in effect for a period of 180 days until Saturday, December 19, 1981, at 11:59 p.m., unless otherwise ordered by the Commission.

3. That Gallagher Mortgage Services, Inc., is hereby directed to file with the Commission an appropriate certificate of insurance as required by Commission Regulation No. 62, within ten days from the service date of this order.

4. That unless Gallagher Mortgage Services, Inc., timely complies with the mandate of the next preceding paragraph, the grant of temporary authority made herein shall be considered void, and Case No. AP-81-11 shall stand denied in its entirety effective upon the expiration of the said compliance time or such additional time as may be authorized by the Commission.
